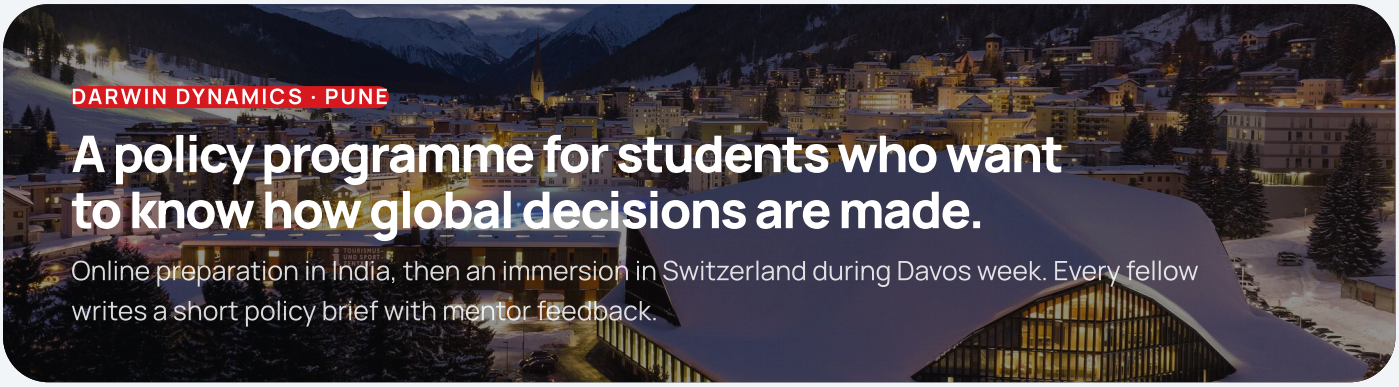
**DDGIP 2027**
DARWIN DYNAMICS GLOBAL IMMERSION PROGRAM



DARWIN DYNAMICS · PUNE

# A policy programme for students who want to know how global decisions are made.

Online preparation in India, then an immersion in Switzerland during Davos week. Every fellow writes a short policy brief with mentor feedback.

**16–22**
Class 11–12 and undergraduates

**10**
Seats, first cohort

**4 sessions**
Online preparation before travel

**16–24 Jan**
2027, Davos, Switzerland

## THE ROUTE

1. **Prepare in India**
   Online modules: the global economy, India's trade story, multilateral forums, policy writing. Parent briefing.
2. **Orient in Switzerland**
   Arrival, group orientation, planned visits to Swiss institutions or universities.
3. **Policy in practice**
   Seminars, public events, India-focused conversations, mentor sessions, daily brief-writing.
4. **Synthesise and share**
   Final workshop, student presentations, reflection. Selected work joins a fellows' showcase.

## FIVE THEMES

- Trade & economic security
- AI & technology governance
- Energy transition
- Jobs & skills
- India in global value chains

## HOW SELECTION WORKS

1. Registration form online (10 seats; registering is not a place)
2. Full application: essay, policy prompts, teacher recommendation
3. Panel interview and a short policy case

Assessed on analytical thinking, public purpose, initiative, communication and readiness. Nominated students take the same assessment.

## STUDENT CARE COMES FIRST

Guardian consent, adult chaperones, a safeguarding lead, travel and medical planning and regular updates to families. Supervision, insurance and cancellation details are shared before enrolment.

**Scan to read more and apply**
Registration takes a few minutes. Ten seats in the first cohort.
